

Goadby Marwood

Heritage Trail

Fun Activity!

Create Your Very Own Coat of Arms!

A coat of arms is a colourful design painted on a shield. It can belong to a person, a family, a village, a town, or even a whole country! Each picture or symbol on it stands for something important or linked to the person or place.

Could you design one for Goadby Marwood using the template overleaf? Think about things associated with the village. It could be our church, a knight on a horse like George Villiers, a loom like the one that Edmund Cartwright invented, or just things like horses, flowers and trees. Whatever Goadby Marwood makes you think of!

Design a Coat of Arms
