

GOADBY MARWOOD VILLAGE HALL

COMMUNITY SURVEY

Help Shape the Future of Your Village Hall

Our refurbished Village Hall is nearly ready to reopen - and now we would love to hear what you would like to see happening there.

The refurbishment has created: a larger modern kitchen; improved toilets and storage; a warmer, insulated building; an integrated projector and cinema screen; a log burner; improved accessibility and facilities; and, most importantly, structural repairs that have helped secure the future of this historic building for generations to come.
